NIK BEAR BROWN

GUIDEBOOK

LOGO

BRAND LOGO.

The Bear Brown signature is the primary mark. Set it in ink on cream and in parchment on espresso. Keep clear space of half its height on every side, and never show it narrower than 160 px on screen. Below that, the BB monogram takes over.

USAGE

LOGO

BRAND LOGO.

Two grounds, two colors. Parchment on espresso is the default for dark pages. White on burnt orange is for the action color only. Never set the signature in terracotta (2.96:1 on cream) or in muted ink (3.10:1): both fail for text.

ON ESPRESSO

ON DARK

Parchment #F0E6D0 on espresso #1A0A00.

ON BURNT ORANGE

ON ACTION

White on burnt orange #8B3A0F.

LOGO SECONDARY

MONOGRAM.

The BB monogram is the small-space mark: favicon, avatar and app icon. It takes over when the signature would fall under 160 px wide. Same two grounds, same colors, half its height clear on every side.
